

MONTESSORI ECEC PROFESSIONAL DEVELOPMENT WORKSHOP – NSW/ACT

Friday, 8 March 2013, 9:00am - 4:30pm
Chatswood

Revisiting Compliance with the NQS and EYLF – Barbara Langford and Christine Harrison

The morning session will revisit the NQS and EYLF offering participants the opportunity to share highlights, experiences and issues following assessment visits. In addition, MAF will assist with any ongoing concerns and queries regarding implementation and development of evidence. Following the workshops, MAF will develop a national strategy to enhance the Montessori sector's relationship with ACECQA and State and Territory regulatory authorities. Once again, assessors will be present from each State to address participants' queries.

Applying Montessori to meet the National Quality Standards

The afternoon session will be a practical workshop and offer participants the opportunity to explore how Montessori meets QA 1 (Educational Program and Practice). Examples of what this might look like in a Montessori environment will be provided and there will be plenty of time for questions, sharing and discussion.
